

Wildcat Ranch

Included Features

Home Performance Features

- As America's #1 Energy-Efficient Homebuilder*, your Beazer home delivers superior efficiency, improved air quality and ultimate comfort throughout the home.
- Home Energy Rating Score (HERS) provided on every home through independent 3rd party testing
- Goodman® high efficiency air conditioning system with ACCA310 inspection
- Broan® Filtered, fresh air, Energy Recovery Ventilation (ERV) system
- AeroBarrier™ sealing to reduce infiltration
- Low E Vinyl windows with Argon gas to maximize energy efficiency
- Rinnai® Tankless Water Heater and prewired for future electric heater
- DuPont™ Tyvek® Home Wrap® protects your home from wind and rain
- HVAC equipment and duct work in conditioned space for higher efficiency heating and cooling
- Mastic Sealed A/C Ducts: reduces air leakage while enhancing efficiency
- High Efficiency MERV 8 HVAC filter
- LED Bulbs designed to use less energy and last longer
- Air tight LED disc lighting reduces air loss (per plan)
- Viega plumbing system
- Quickflash® for advanced weather proofing
- 2x6 walls installed with advanced Framing techniques allow more insulation in the walls
- R27 spray foam attic insulation
- R21 spray foam wall insulation and continuous 1 inch R-5 foam board exterior sheathing (R values vary in certain locations)
- R-6 insulated and wrapped A/C and heat ducts
- Low V.O.C. paint and carpeting to reduce chemicals in the air
- EnergyStar® dishwasher for better energy efficiency
- Clay brick with buff mortar
- Wayne Dalton® insulated garage door
- Sherwin Williams® interior & exterior paint
- James Hardi® durable cement fiber siding
- CertainTeed 30 year dimensional shingles
- Thema-Tru® 6'8" 6 panel textured and stained fiberglass front door
- Boise Cascade® engineered flooring
- Kwikset® Smart Lock with Z-wave technology. Keyless entry lock will now communicate wirelessly to security and home automation systems via Z-Wave.
- All new Beazer homes are built Network Ready, providing the optimal combination of low voltage & pre wire components* that allows for homebuyers to connect the technology of their choice after closing.
- All homes pre-wired for electric vehicle connection
- Solar wiring - ready includes a built in path to run wiring from the attic to your electric panel so solar panels can be easily connected
- Structural load - ready means you can avoid \$1,000s of expense to obtain engineering calculations needed to document adequate roof framing strength

Components:*

- 1" conduit from exterior wall to low voltage panel to ensure easy future upgrades of Internet Service Provider (ISP) connection.
- 30" Low voltage panel centrally installed to ensure excellent Wi Fi signal coverage & accommodation of ISP equipment without compromising aesthetics or functionality.
- Three hardwired paired media outlets with RG6 (Cable TV/ Data) & industry leading CAT6 (Ethernet/Data), located in family room, primary bedroom, & loft/office area.

Kitchen

- 3 cm granite countertops with 12"x12" diagonal ceramic tile backsplash
- Timberlake 42" flat panel kitchen cabinetry with concealed hinges and adjustable shelves in upper cabinets offered in multiple color choices
- LED lighting per plan
- Whirlpool® stainless steel package with self cleaning gas range, microwave with external vent and Energy Star 3.2* dishwasher
- Insinkerator® 1/3 HP disposal and stainless steel top mount sink
- Counter depth side by side stainless steel refrigerator
- Moen® Water Sense chrome pull out faucet/veggie sprayer

Quality Construction

- Full gutters and splash blocks at downspouts
- Coach lights (per plan)

The Beazer Experience

- 1 year performance standards warranty
- 2 year delivery systems warranty
- 10 year structural warranty
- Pre construction, pre drywall & New Home Celebration
- Beazer Design Studio with selections available to personalize your new home

Standard options and features lists as well as depictions of floor plans and elevations (each, a "Standard") are expressly not made part of any Purchase and Sale Agreement ("PSA"), nor do they give rise to any contractual relationship between you and Beazer Homes. Standards are intended only to provide a general overview. You may purchase an upgrade or, in its sole discretion, Beazer may substitute an alternative as provided in the PSA. The PSA's Addendum A will define what is included in your home. If you sign a Standard, it is simply your acknowledgment of receipt of the Standards applicable to this model of home. Construction specifications include moisture and mold control, radon resistant construction (where applicable), pest barriers, effective heating, ventilating and air-conditioning systems, safe combustion, and healthier building materials. Please visit www.epa.gov/indoorairplus for details. Beazer reserves the right to make changes without notice or obligation to plans, elevations and pricing. Illustrations and specifications are believed correct at time of publication, and are not intended to create any warranty or contract rights. *HERS stands for Home Energy Rating System. It's a standardized system used to measure a home's energy efficiency. A lower HERS score indicates a more energy-efficient home. HERS is like a home's MPG label. A lower HERS score means lower energy bills and a smaller environmental footprint. Our average gross HERS score in 2023 was 42. To confirm our position as the #1 energy efficient homebuilder in the US, we looked at the publicly reported average HERS scores during June 2025 for each of the top 30 homebuilders in the US (based on how many houses they sold in 2024) as determined by Builder Magazine's list <https://www.builderonline.com/builder-100/builder-100-list/2025/> accessed on June 6, 2025. Beazer Homes reports our average gross HERS score i.e. without including solar power savings. We don't know for sure if the other builders report their energy efficiency scores (HERS scores) with or without including solar power savings. Any registered or unregistered trademarks appearing here are the registered or unregistered trademarks of and are owned by their respective owners. All plans, specifications, features, materials and appliances are subject to availability, change or substitution deemed advisable by Beazer Homes or as required by local building code or law. This feature sheet does not represent all standard specifications in your home. Details listed may vary depending on the plan, elevation, and options chosen. Please consult your New Home Counselor for details. ©2025 Beazer Homes. 25_07 BH CORP_12
